

Proposed Fire Fee

Purpose of the Fire Fee

- **Charge all those for whom the service is provided**
- **Establish a clear linkage between the cost of the service and the service itself**
- **Reduce the property tax**

Assumptions

**Property Tax Limit of \$8.10 must be cut
by an amount equal to the Fire Fee**

Assumptions

**All properties would be subject to the
Fire Fee**

Assumptions

**The Fire Fee would apply
Only to Structures**

How the Fire Fee Could Be Calculated

Adjusted Value per Structure

x

Rate

=

Fire Fee per Structure

What is Necessary to Have a Fire Fee?

- **Approval of the State Legislature**
- **Establish Value of All Non-Assessed Properties**
- **Establish Collection Process**
- **Approval of City Council**
